MEMORANDUM FOR: Colonel White

SUBJECT : Logistics Office Recommendations for Proposed
Legislation for CIA

1. The Logistics Office advises that amendments to Public Law 110 would be beneficial to the operations of the Agency in so far as real estate construction, procurement, and transportation are concerned. The Logistics Office moreover suggests the proposed amendments and revisions to accomplish this end. These have been reviewed and concurred in by the Assistant General Counsel detailed to the Logistics Office.

2. The memorandum also states that a revolving stock fund would be more advantageous to the Logistics Office than the present operational stock accounts and advises a separate memorandum dealing with no-year money is now in process. The Comptroller's Office is also making a study on obligation of funds when appropriations are lapsing.

3. Recommend forwarding memorandum to Legislative Counsel for action.
